Inspired by the Gospel mandates to love, serve and teach, Catholic Charities provides care and services to improve the lives of Marylanders in need.

SARAH'S
HOUSE

CATHOLIC CHARITIES IN ACTION

Providing emergency and supportive housing for individuals and families experiencing homelessness in Anne Arundel County

Our goal at Sarah's House is to help individuals and families regain independence.

Sarah's House operates through a unique partnership between Catholic Charities, the United States Army and Anne Arundel County. Since opening our doors in 1987, Sarah's House has served as a model of how nonprofits and government agencies can work together to help those in need.

Located on the edge of Fort George G. Meade Army Base, Sarah's House accommodates up to 125 people daily between our Emergency Shelter and Supportive Housing programs. As we provide shelter and opportunities to families experiencing homelessness in Anne Arundel County, we work with them to restore their independence.

Referrals to Sarah's House are made through the Anne Arundel County Department of Social Services.

Child care center and after-school programs

Sarah's House has a fully-licensed child care center for children of guests who are employed, attending classes or are looking for work. Up to 40 children, ages 6 weeks to 12 years old, are cared for five days a week. An after-school program provides school-aged children with activities that address academic, social and physical development.

Skills for Success

Our Skills for Success Program is a series of workshops that are designed to prepare guests for self-sufficiency. Goal setting, financial literacy, job readiness and housing services are just a few examples of topics covered during the workshops.

An on-site child care center and after-school program provide academic, physical and social outlets for our youngest guests.
