# 40 YEAR ANNIVERSARY CELEBRATION

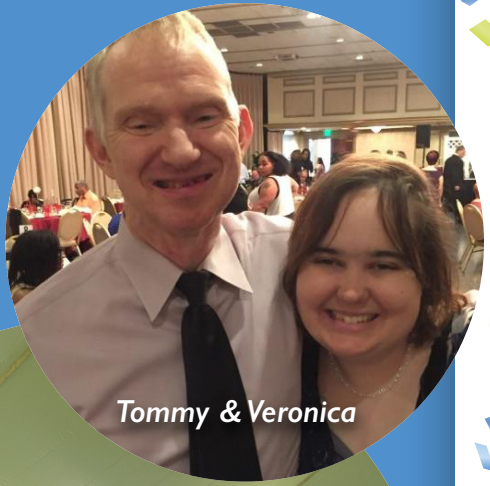

On September 15, 2017, Gallagher Services celebrated 40 years of supporting individuals with Intellectual/Developmental Disabilities. The picnic was held in Timonium at the pavilion by the Gallagher greenhouse. Over 200 people – Individuals, Family Members, Volunteers, Politicians, Staff and Friends of Gallagher – joined together in celebration. The Gallagher Choir performed two numbers and was a huge success which was enjoyed by everyone. The link below is a short clip of their performance. The Oriole Bird made a surprise appearance that afternoon as well. The following weekend, over 250 individuals supported by Gallagher Services and staff celebrated at a dinner dance at Martin's West.
